## Province Post History

The Community Builders, Inc. (TCB) is developing a 1.8-acre site located at 3 Jerome Smith Road (former VFW Post site). TCB was awarded developer designation for the site through a Town-led RFP process. The site will be developed to provide 65 units of year-round affordable mixed-income rental housing to the Provincetown community.

As a nod to the site's history as the former VFW Post, the project is named "Province Post."

## Construction Updates

Spring season is here! Delphi Construction (general contractor) continues to frame Buildings D and C. Once foundation work is complete, framing will then begin on Buildings A and B.

In addition, roofing and windows will be installed to make the buildings weather-tight, allowing interior trades to begin their work.
